

## Refunds for 2020 Elementary School Counselor Conference

NSCA will be issuing refunds for people who have already registered for the 2020 Elementary School Counselor Conference. We will begin issuing those refunds to the credit card used to pay for the registration beginning on Friday, March 20th. If you wish to have a refund issued in another way (ie you used a personal credit card to pay for the conference but have since been reimbursed by the district you would most likely want the reimbursement to go directly to your district), please send me an email Doug Hauserman at [executivedirector@neschoolcounselor.org](mailto:executivedirector@neschoolcounselor.org) by 4PM on Thursday, March 19th. Any refund not issued to the original credit card will be done by check and may take a little longer. If requesting a refund in a different way, please tell me to whom the check should be made out to and provide a mailing address to send the check to. T. **NOTE:** Refunds for counselors from the Omaha Public School District is being handled through the TAC Building and OPS counselors do not need to do anything. Thank you for your patience as we get these refunds issued while we focus on supporting Nebraska School Counselors during this unprecedented time.
